Nevember 17, 1770. R. Charlet Carrell, jun having conveyed to us, by Deed of Trust, One Hundred and Sixty Acres of Land, lying near the Mouth of the Eastern Branch of Patowmack River, for the Purpose of laying out a Town, under the Name of CAR-ROLLSBURG, we have caused the said to be laid out into 267 Lots, befides Streets, Lanes, Alleys, and a Square of Four Acres, for the Benefit of the faid Town, Plots of which may be feen in the Hands of Thomas Johnson, Esq. in Annapolis, Mr. Jonathan Hull in Alexandria, and of the Trustees. The following are the Terms of Sale: Each Adventurer shall pay at the Rate of Six Pounds Sterling, in good Bills of Exchange or Cash, on receiving from the Trustees a Ticket, signed and numbered by them, which will intitle him to the Lot drawn against that Number; after which he will receive a Deed from the Trustees, conveying a Fee Simple to the said Lot. There are 261 Lots for Sale (Mr. Charles Carrell, jun. having referved Four Land and Two Water Lots) and the same Number of Tickets: consequently each Adventurer will be certain of having a Lot for his Money, and, by the Mode proposed of drawing for the same, an equal Chance. The Time and Mode of drawing will be advertised as soon as the Tickets are disposed of. As the Plots may be feen on Application, we shall only observe, that the Town is laid out by fixed Boundaries, to avoid hereafter any Confusion by the Variation of the Compass; the Streets are Eighty Feet in Width, and every Water Lot, except Four, has a Publick Way, by Street, Lane or Alley, to the Water. If the Tickets are not all fold in Six Months from the Second Infant, the Money received will be returned. Many Tickets are already bespoke, and there is little Doubt but the rest will be so in a very short Time; therefore those who have applied and approve the Scheme, are desired to take their Tickets in from Scheme, are defined the Truffees without Delay.
